

Greetings Brothers and Sisters:

Welcome to the AUPE Local 002 Chapter 002 2018 AGM.

A special meeting of AUPE Local 002 Chapter 002 was held during the morning of Saturday, March 17, 2018 with the purpose of removing the Chair from the position. The Chair was sustained.

Other meetings were held:

- June 24, 2017
- November 18, 2017 (AUPE Local 002 Chapter 002 Executive Board in the morning, General Membership in the afternoon)
- January 20, 2018 (Special meeting as requested by the AUPE Local 002 Chapter 002 Executive Board in the morning, General Membership in the afternoon). It should be noted that the morning meeting was adjourned without any business being conducted because the motion to adopt the agenda was defeated.
- March 17, 2018 (AUPE Local 002 Chapter 002 General Membership Information meeting following the failed attempt to remove the Chair)

Due to the Chair having heart surgery on September 29, 2017, the meeting scheduled for September 30, 2017 was postponed to November 18, 2017.

The Chair approved all 19 AUPE Labour School applications received. Of all the applications received, 10 AUPE Local 002 Chapter 002 members were able to attend. The Chair encourages all AUPE Local 002 Chapter 002 members to explore the AUPE training opportunities available.

The Chair provided administrative assistance to two AUPE Local 002 Chapter 002 Executive Board members who, in accordance with the AUPE Local 002 Chapter 002 Budget, arranged for "pizza" lunches at their respective worksites. The Chair commends these members for stepping forward and promoting AUPE.

The Chair is confident that, going forward, AUPE Local 002 Chapter 002 can find its way so that our members can fully benefit from our efforts.

In Solidarity,

R. H. John Lomas

Chair, AUPE Local 002 Chapter 002
