Council, through the recommendation of the Finance Committee, must authorize all new assets and software upgrades or replacements before being purchased.

An asset user will report any problems with the asset to the treasurer and will provide an estimated cost of repair. The Treasurer will have the authority to approve the cost of an estimate or a reasonable repair, as determined by the Treasurer, to a hardware asset.

If the Treasurer, in conjunction with the asset user, determines that an asset must be replaced, the following will apply:

1. The user will advise whether there is any trade-in value to the asset. If there is a trade-in value it is expected the old asset will be traded on the new asset once approval to purchase has been authorized by Council.
 - a. In the event of an emergency, the Executive, upon recommendation of the Finance Committee, can approve the purchase of a new or replacement asset and the decision will be presented to Local Council at the next Council meeting.
2. If there is no trade-in value the user will notify the Treasurer.
3. The Treasurer will compile all relevant information about the used asset and notify all Council members that an asset is available and that bids to purchase by Local 002 Council members would be entertained.
4. If there is still depreciable value to the asset then this value would be the minimum amount the Treasurer could accept as a bid for the asset. The Treasurer will notify Council members if there is still depreciable value to the asset.
5. If there is no depreciable value to the asset all Council members will have the opportunity to submit a bid on the asset.
6. If there are bids on the asset, the highest bidder will be offered the asset at the bid price, upon approval of Council.

- a. In the event of two or more equal bids on an asset, the Finance Committee will determine the successful bidder by drawing lots.
7. In the event there are no bids on the asset the Treasurer can dispose of the asset to non-profit organization or through AUPE finance, with recommendations accepted by members of Council.
